SHOULD THIS BE THE HARLEM RIVER?

1. Industry and Infrastructure Separating the Community from the Waterfront.
2. Trash dumped in and around the River.
3. No Greenway along the River.
4. No Recreational Boat Access.
5. Raw Sewage Flowing Into the River.

Join with your Neighbors to shape these new parkland developments and to make sure that they happen.

Who Should Come? Residents, Students, Parents, Organizations, Runners, Bicyclists, Kayakers, Small Business Owners and Anyone who cares about our community and the Waterfront.

What Will Happen? *A Brief overview of the current Harlem River Plans and Projects. * Public Forum for Community Members. * What would you like to see done? *Help shape our new HARLEM RIVER VISIONING Document and the HARLEM RIVER.
